

August 4, 2020

Dear P2P Sponsors, Professionals, Volunteers, Educators and Parents,

After much consideration, we are postponing all P2P Mississippi Career Expos for the third and fourth quarters of 2020 and for the first quarter 2021. We will relaunch P2P Mississippi beginning in October 2021.

Unfortunately, due to many known and yet unknown circumstances surrounding the Covid-19 virus, we believe this is the best path forward. Our primary concerns are for the safety and wellbeing of our students, educators, and parents who attend the expo and the hundreds of professional and community volunteers who make the expo possible.

We know that for safety reasons, large gatherings are discouraged, and many schools are still working to determine how best to meet the needs of all students. Many businesses who support the expo as participants and sponsors are slowly recovering from closures and reduced hours of operation.

We will be working with our career pathway organizers and participants to incorporate technology and create career pathway virtual sessions to keep students engaged throughout the upcoming school year. Exposing students to the many great careers across our communities and the State of Mississippi remains our priority. We will keep you advised as we launch our new platform in the 4th quarter of 2020.

Thanks in advance for your understanding and ongoing support.

Karen Sock
